Physical Education

New Grading Policy

All middle school students in WPS60 will be on a new grading policy effective January 7, 2019, the start of Quarter 3. Students will now receive four daily points. One point will be deducted if the student is not wearing the correct uniform, and the remaining three points are awarded when the student participates in class. **Students will not be able to participate in PE class without proper gym shoes and will therefore receive a zero for the day.**
